

Monarch

ES | GS | VS

The Monarch is truly a revolutionary spa, and one like no other. By repositioning the two deep captain's chairs, the footwell is opened up, making it massive. This spa has enough room for five bathers, while the thinner spa lip creates a more spacious interior for all.

Bottom line, for a 7' hot tub, the Monarch not only feels huge, it IS huge. So, gather your friends or a loved one and prepare for total relaxation.
